## SERVANTS

### Sandra & Israel Chavez Plett

May is an exciting month for us as a family, and May 5th specifically!! This is the day, 2 years ago, that Sebastian came to live with us, and we became a family. We appreciate your continued prayers for us as a family- for spiritual protection in the places we minister, for wisdom in our daily parenting and as we help Sebastian understand his own life story, and for joy and unity as a family. Many of you have been praying with us, and we praise God that He led us to a new house which is much closer to Sebastian's school, and also much quicker access to our thrift store church plant (LifePoint). We love the space of this new house, and have already been able to host a number of people here from California, Canada, and some of our youth here in Guadalajara. Pray with us that our home would be a place to encounter God's presence, find rest and refreshment, and a light in our community.
